Exhibition Summary

Akiane: A Journey of Faith through Art is an immersive exhibition that invites guests into the miraculous story of Akiane Kramarik, a world-renowned master fine artist whose painting of Jesus changed the world. With the founding purpose of honoring God, the exhibition opens by sharing the mission of Belóved Gallery, introducing the miraculous story of Akiane's art and message of unwavering faith, unconditional love, and eternal life.

Guests are drawn into Akiane's current story and most recent artistic expressions, before journeying to learn about her astounding early life as a child prodigy. Through rare media appearances and moments of early global recognition, guests explore how a young girl, raised in a non-religious household, was transformed by Divine visions that ultimately changed her entire family's faith.

The exhibition's centerpiece is a powerful, immersive media experience in which Akiane's paintings are digitally transformed to bring her Heavenly visions to life. This leads guests into a reverent space housing her masterpieces of Jesus, including *Prince of Peace*, *Jesus: The Missing Years*, *Dreams*, *Jesus* and *Father Forgive Them*, accompanied by reflective poetry from her childhood.

To conclude, guests are invited to share their experience and enter a sacred space for reflection and prayer beneath a soaring four-story LED screen showcasing Akiane's art in large-scale digital format. This final moment allows each visitor to respond in their own way to the presence of God through art.

About The Artist: Akiane Kramarik

Akiane Kramarik is a world-renowned master fine artist and poet. A former child prodigy, she is considered by many art experts to be the youngest binary genius in both realistic art and poetry. At the age of eight, she painted *Prince of Peace* — now the world's most recognized face of Jesus — launching a journey from obscurity to global influence.

Exhibited in galleries, museums, embassies, and private collections worldwide, her work touches millions. Drawing from visions, dreams, travel, and prayer, she makes the invisible accessible in fine art, writing, and digital media. Akiane credits her family's support, tireless discipline, and God's guidance for every brushstroke.

Psalm 115:1 — "Not to us, O LORD, not to us, but to your name give glory, for the sake of your steadfast love and your faithfulness!"

FAITH FOUNDATION — STATEMENT OF BELIEF:

MEDIUM OIL ON CANVAS

The rising peace, a young image of Jesus appears to me in my dreams and visions. Only when I pray in my quietest, after looking up and down the afternoon and I know it is the light of the peace that is of peace.
